ONS Docs Included in Castle Connolly New York Metro Area Top Doctors Guide, 13th edition

GREENWICH, CT – Eleven physicians from Orthopaedic and Neurosurgery Specialists (ONS) on Valley Drive are included in the latest edition of Castle Connolly Top Doctors, New York Metro Area guidebook. The resource directory, which is in its thirteenth edition, is a guide to finding the top primary care and specialty care doctors in the tri-state metropolitan New York area. It details information on over 6000 physicians in 65 specialties. Physicians profiled in the guide were nominated by their peers and screened by a research team at Castle Connolly.

ONS physicians included in the guide are **neurosurgeons** Paul Apostolides, MD and Amory Fiore, MD; **orthopedic surgeons** Michael Clain, MD; John Crowe, MD; James Cunningham, MD; Steven Hindman, MD; Brian Kavanagh, MD; Seth Miller, MD; and Paul Sethi, MD; and **physiatrists** Jeffrey Heftler, MD and Halina Snowball, MD.

“We are honored to be part of this distinguished group of physicians and to be recognized by our peers as among the region’s most trusted physicians,” said hand and wrist specialist Dr. Crowe. “Our practice takes pride in working as a team to offer patients the highest standard of care. The multidisciplinary nature of ONS makes it possible to provide patients with access to the most advanced techniques and treatments available in orthopedics, neurosurgery and physiatry.”

Castle Connolly sends 12,000 nomination forms to medical professionals in throughout the

New York metropolitan region including physicians and hospital executives. Survey recipients are asked to nominate those doctors who, in their judgment, are the best in their field and related fields-- especially those to whom they would refer their own patients and family members.

Castle Connolly Medical Ltd. provides researched and screened information through consumer guides including America's Top Doctors® and Top Doctors New York Metro Area and partnerships with leading regional and national magazines, such as New York, Connecticut and Greenwich Magazines.

Orthopaedic and Neurosurgery Specialists PC (ONS) is the largest multi-specialty orthopedic and neurosurgery practice in Fairfield and Westchester counties. ONS physicians provide expertise in sports medicine, minimally invasive orthopaedic, spine and brain surgery, joint replacement and trauma. For more information, please visit www.onsmd.com.
