## PARTICIPANT AGREEMENT AND ASSUMPTION OF RISK

In consideration of the services of **Chiang Mai Rock Climbing Adventures, Co. Ltd.**, their officers, agents, employees, stockholders, and all other persons or entities associated with those businesses (herein after collectively referred to as **CMRCA**), I agree as follows:

Although **CMRCA** has taken reasonable steps to provide you with appropriate equipment and or skilled guides so that you can enjoy an activity for which you may not be skilled, we wish to remind you that trekking and traveling in remote areas is not without risk. Certain risks cannot be eliminated without destroying the unique character of the activities. These elemental risks can also cause loss of or damage to your equipment, accidental injury or illness, or, in extreme cases, permanent trauma or death. We do not want to frighten you or reduce your enthusiasm, but it is important to us to inform you in advance of the risks and our policies towards them.

### The following describes some, but not all, of those risks:

The hazards of walking on uneven terrain include slips, falls, and injury (including bone fractures) from rockfalls and rockslides. Natural hazards include lightening strikes, sudden weather changes creating inclement conditions, and malady from insect bites. Personal hazards include one's own physical condition and capacity for the physical exertion associated with these activities and hypersensitivity to cold and heat, including hypothermia and hyperthermia, frostbite, heat stroke and heat exhaustion.

I am aware of the intrinsic risks of this activity, including injury or death to myself. I understand that the description of these risks is not complete and that other unknown or unanticipated risks may result in injury or death. I agree to assume responsibility for the risks identified herein and those risks not specifically identified. My participation in this activity is purely voluntarily, no one is forcing me to participate, and I elect to participate in spite of the risks. I certify that I have inspected all equipment and procedures to be used in this activity and I have informed the **CMRCA** staff of any situation which I deem to be unsatisfactory or dangerous. Also by participating in this course or renting equipment I accept those risks involved.

Initial \_\_\_\_\_

I understand that medicines dispensed to me in the case of accident may react negatively with medicines I take regularly – such as heart medication, birth control, and insulin – and I am prepared for that danger.

Having been informed of the inherent risks and dangers, I certify that I am fully capable of participating in this activity. Therefore, I assume full responsibility for myself and all minors participating with my permission, for bodily injury, death, and loss of personal property and expenses thereof.

Initial \_\_\_\_\_

I have read, understood, and accepted the terms and conditions stated herein and acknowledge that this agreement shall be effective and binding for me, my heirs, assigns, personal representative, estate and for all members of my family, including any minors accompanying me. I acknowledge I am not relying on any oral, written, or visual representations of statements made by **CMRCA** including those made in its brochures or other promotional material, to induce me to participate.

### Promotional Waiver/Release

The undersigned consents to and authorizes the use and reproduction by **CMRCA** of any and all photographs and any other audiovisual materials taken of the undersigned for use in promotional printed materials, online and social media, or other means of promotion.
