Sharon Academy Students Are Legislative Pages

Two eighth grade students from the Sharon Academy, Samantha Robertson of Stockbridge, and Brian Renfro of Hartland, have been appointed to serve as pages in the Vermont Legislative.

The two TSA students are among only 30 eighth grade students from around the state who were chosen this year to work at the State House. Pages deliver messages for the members of the Senate, the House of Representatives, and the various Legislative offices. Serving as a page offers a unique opportunity to observe the workings of the legislature and to witness first-hand the often-historic events in Montpelier.
