CIRCUIT INFORMATION

VT Jr Grand Prix tournaments are USTA New England Level 8 events. The results and year-end rankings are published on <http://www.ustavermont.com> and in the New England Yearbook. Most tournaments offer singles in Boy's and Girl's 10s, 12s, 14s, 16s, and 18s. Check each site for events. Consolation rounds are held at the discretion of each tournament director.

Junior Grand Prix Rankings Point System. A participating player earns:

- 25 points per event entered
- 25 points per match won
- 50 points per event won

After winning three Jr Grand Prix events, a player must move on to Challenger (Level 7) events. Check for the 2010 schedule on <http://www.ustavermont.com>.

To earn a Vermont ranking a player must:

- Be a Vermont resident
- Be a USTA member: you can apply at a tournament or on-line at USTA.com
- Compete in a minimum of two events

Please note: VT Junior Grand Prix events count only toward VT state rankings; they do not count toward USTA New England rankings.

Questions: If you have any questions please contact the Tournament Director listed for each tournament or Kirsten McEdward at 802-388-2756 or kmced@comcast.net.
