## The Buddy Deal. Good for you, Good for your friends.

Traditionally, most people come to Northwaters and Langskib because of a friend's recommendation. We'd like to encourage that and reward our supporters. For each friend of yours who enrolls this year for the first time, we will credit you and your buddy each \$200 toward your program tuition. Your friend can enroll in any of NWL's open enrollment programs (they don't need to go with you).

Act soon - this **Deal For Two** ends **4/2** (April 2nd).

To get credit, simply ask your buddy to mention you on their application.

To have brochures and applications sent to you or your buddies, call: 866-458-9974 or email: [canoe@northwaters.com](mailto:canoe@northwaters.com).
